Interior:

The rooms of the anna hotel reflect a distinctive design, noble materials, and warm, harmonizing natural shades. The interior design-label Donghia from New York took care of the furnishing, from the beds to the bathrooms. The floor to ceiling windows create a light-flooded atmosphere and a decent chic, which the interior architect Jochen Dahms defines as "Casual Living".

The highlight of the suite is the open bathroom with its detached bathtub designed by the Bavarian sculptor Stefan Ester.
